Serial Number

Activating your FortiTokens

FortiGate

1. Go to **User & Authentication > FortiTokens** and select **Create New**.
2. Select **Mobile Token**, enter the 20-digit certificate code in the **Activation Code** box and click **OK**.
3. Once the activation code has been validated, FortiTokens will be displayed on the page with Status set to Available.

FortiAuthenticator

1. Go to **Authentication > User Management > FortiTokens** and select **Create New**.
2. Select **FortiToken Mobile**, enter the 20-digit certificate code in the **Activation Code** box and select **OK**.
3. Once the activation code has been validated, FortiTokens will be displayed on the page with Status set to Available.
